

Congressman Jeff Flake

I would like to invite you to a very special United States Service Academies Conference. It will be held:

**Saturday, May 21, 2005
10:00 a.m. – 12:00 p.m.
Mesquite High School
500 South McQueen
Gilbert, Arizona 85233
Auditorium**

Representatives from the Air Force, Army, Naval, Coast Guard and Merchant Marine Academies will be at the May 21st Conference to describe the exciting military, academic and career opportunities they offer. Members of my staff will also be there to explain the Congressional application process. Earning a nomination to a U.S. Service Academy is a great privilege and honor, as well as a valuable educational and career benefit.

We look forward to meeting with you so that we may provide information and materials that will help you decide whether or not you wish to seek an appointment to our nation's finest academies. Please detach and return the R.S.V.P. form to the indicated Congressional district office so that we can be sure to have enough materials on hand for everyone.

Once again, we encourage you to come to this conference. All high school students, regardless of age, are welcome and will find the conference helpful in pursuing a nomination to a United States Service Academy. If you have any questions, please contact my Service Academy Representative, Kelly D. Hedman at 480-833-0092.

Sincerely,

JEFF FLAKE
Member of Congress
